* What we test:

The lipid profile includes total cholesterol, LDL, HDL, and triglyceride level testing.

**How to prepare:

Pre-draw fasting is important. Please have nothing to eat or drink (except water) 10 hours prior. Must be 18 years or older.

***Getting your results:

If you can't pick up your results at the Medical Office Building on Saturday, February 6, please have a family member or friend pick them up for you. Only in extraordinary cases will results be available from the Health Promotion Department, after February 6th.

Note: No blood will be drawn at the February event, so be sure to participate in the January blood draws!
